

❖ 食べ物 ❖ Japanese Food しゃぶしゃぶ Shabu-shabu

Shabu-shabu is one of Japan's most popular dishes cooked at the dinner table. It is very entertaining as each person actually cooks their own dinner. The name came from an onomatopoeic sound a slice of meat makes when it is dipped and cooked in a pot of boiling broth.

The cooking is very simple. Put the thin meat slices into boiling water in the pot. first, remove it immediately from the pot, dip in the sauce, and eat it. The ingredients are paper-thin sliced meat, Tofu, and vegetables such as Nappa Cabbage, seans sprouts, and mashrooms. Dipping sauces, such as a **Ponzu-sauce**, a sesame sauce, are served in individual bowls with chopped green onion and shredded daikon.

Ponzu-sauce Mix all ingredients

- 1 tablespoon lemon juice
- 2 tablespoon rice vinegar
- 5 tablespoons soy sauce
- 5 tablespoons of broth
- 2 lemon slices

I visited JLC's website and found many free materials. I would like to download these files but I couldn't. I was unable to view the PDF files your website attached. I cannot display Japanese fonts in Adobe Acrobat (even after updating Acrobat and installing the Japanese Fonts file) and also I cannot type Japanese fonts on my PC using Global IME (even though it is installed). What is your suggestion?"

Our answer: Several students have a similar problem as yours. A JLC student, Sean, who is an IT systems consultant, made a file "**Instructions to Install the East Asian Language Package in Windows**" for those people and you can download them at the Course Description page of our website, <http://www.japanese-language.net/Japanese%20Character%20Instructions%20for%20Windows.pdf>

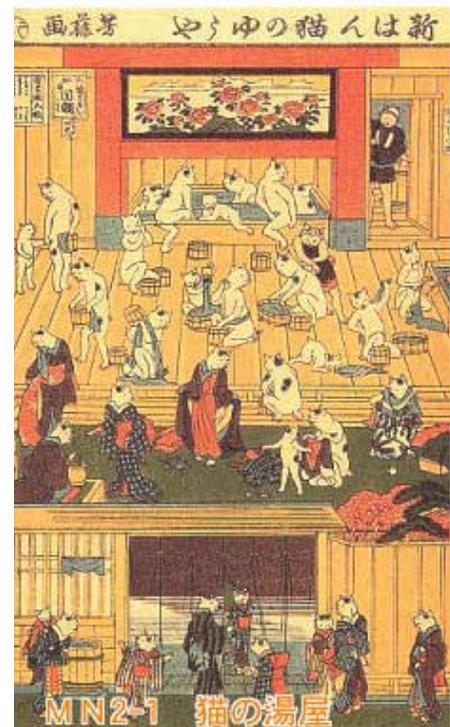

❖ 生徒の日記 (せいとのにつき) ❖ Diary by JLC's students

四月二十二日私が教えている中学校では、生徒は今大事な試験を受けています。ワシントン州では、毎春生徒はこの試験を受けなくてはなりません。この試験は理科と数学と読み方と書き方の試験です。2001年にブッシュ大統領は「落ちこぼれを一人もつぐらなない」という新しい法律を作りました。この法律からこの試験が作られたのです。

私は、この「落ちこぼれを一人もつぐらなない」は少しきびし過ぎると思います。すべての学校がこの法律に従わなければなりません。もし私の中学校の試験の成績が悪ければ、とても困ります。多くの生徒がこの試験に合格できなければ、私の中学校は罰を受けます。そして、生徒全員がこの試験を受け合格しなければならないので、先生は試験の準備のためにしか教えません。このごろの中学校の校長先生は外国語や美術や体育などの学科を教えようとしません。これはとても残念なことだと思います。(B)

二月二十五日

私の仕事の内容を説明するのはちょっと難しい。私が担当しているグループは、細胞の活動量の量り方に関する研究をしている。私の会社は、T細胞という重要な免疫細胞の増殖法を開発している。例えば、B型肝炎という肝炎ウイルスに感染された患者からT細胞を採取し、B型肝炎に対抗する細胞を選んでこの細胞を生体外で増やし、それをまた患者に投与するという治療方法に関して臨床試験をするという企画がある。もちろん、患者に投与する前に、細胞の能力や短所を調べる必要がある。この場合、二種類の問題がある。ひとつは、この細胞に何があるかということだ。もうひとつは、この細胞は何をするかということだ。私のグループは両方について研究している。

仕事上考えなければならないことは、科学についてだけではない。時々倫理的な問題も生じる。例えば、現在の T 細胞の活動量の量り方は放射性物質を使っている。私は以前、細胞が発している酵素と蛍光の酵素と一緒に使って光が出れば放射性物質は要らなくなるという方法を発見した。私はもちろん、内心では自分の方法がいいと思っけていても、直接私個人の利益に關与することにもなるので、私自身は採択の決定を会社に委ねることになっている。(M)

🌸 **お知らせ** 🌸 **Remarks**

● **JLC will close for a month from 16 July to 10 August.** Languages are changing every day and the Board of Education in Japan announces the new guidelines for Japanese Study every year. Japanese teachers should update their Japanese knowledge to provide the best Japanese instructions. JLC's instructors will be attending the conferences and seminars in Japan during this period.

● JLC supports a Japanese Language conversation group in the community and JLC's instructor Junko is the organizer of Bellevue-Factoria Japanese Language Meetup. The next meeting is 7-9 PM on Tue, June 14th at Starbucks (next to QFC), 3560-C 128th Factoria Blvd. Loehmann's Plaza. Please join us.

● Field Trip is 6:30-8:30PM on Tue 31 May. We are going to visit a Japanese restaurant in Bellevue-Factoria area this time. We visit a restaurant almost every other month and would like to visit all of the Japanese restaurants in the greater Seattle area. This event needs 5 registrants at least. It's open to anyone. We need to know how many people are coming to make a reservation. Please RSVP by 23 May. We will let you know the detail/place.

● If you are planning to take a course in next semester (Aug/Sept), please sign up now. If you complete your registration with payment before 8 July, JLC is offering a free **Maneki-neko** Keychain.

● Please note that we will not make up/reschedule/refund lessons of Group courses including Special Offered Program. Even if you give us early notice of your absence, we will not reschedule at all. Please check the lesson schedule before you sign up. If you would like to schedule an appointment to make up a group class/Special Offered Program that you missed, we will offer a discounted lesson at 20% off of the regular private/semi-private lesson fees in this situation subject to the instructor's discretion. If it's a regular private lesson, you can reschedule your lesson with 24 hours notice. So, if you have high possibility of missing lessons, it's better for you to sign up for regular Private Lessons.

● Please bring your friends to JLC. Any referrals signing up for a class results in a 20% discount on your next block of lessons.

🌸 **自己紹介 (じこしょうかい)** 🌸 **Student of JLC**

HELLO! My name is Nikki Swift, 12 years old and just crazy about Japan! I first got started on my J-craze when I was 9 or 10 years old which then lead to us having a 14-year-old exchange student from Japan for a month. Did I mention I was a cat lover? We have two: Buddy, he has white paws; and Sweetie who has a little white on her chest.
